Sir:

In response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures dated 9/22/03 which accompanied the Notice to File Missing Parts mailed 2/17/04, please replace the computer-readable form as originally filed in the present application with the substitute computer-readable form submitted concurrently herewith.

The notice indicates "n" at position 23216 should be identified. The paper copy filed on September 5, 2003 correctly identifies this "n." No alterations have been made to the paper copy and a paper copy does not accompany the response. It is submitted that the new CRF is submitted in accordance with 37 C.F.R. §1.825(a), and does not include new matter.

I hereby state that the substitute copy of the computer-readable form, submitted in accordance with 37 C.F.R. §1.825(b), is the same as the amended sequence listing.

Respectfully submitted,

Michelle L. Cunningham
